Reasons to Partner with Suddath

FOCUS ON THE EMPLOYEE EXPERIENCE

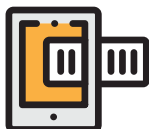

To ensure a relocation is successful from day one, we invest the time to understand the different needs of you and your people on the move. What makes for a smooth and stress-free experience will be defined differently for a new hire just starting on the career journey than it will to a highly experienced executive relocating with a family and pets. With a range of services catered to what you and your employees want and need most for success, we have the expertise and the people to deliver the very best moves.

STRATEGIC THOUGHT LEADER

From rethinking move solutions to participating in innovative pilot programs, Suddath thinks outside the box to deliver customized solutions for our clients that include transport options beyond the traditional van line method. Suddath was recently chosen to be part of a pilot program that focuses on children during the relocation journey. We're one of the first to bring these ideas to reality!

INNOVATIVE TECH

Our seamless platform was designed to enhance the customer and client experience. Vital data will be pushed to your transferees in a customized online experience or mobile app, reducing workload for HR & Mobility teams and providing peace of mind and provide you the information you need to make better, faster decisions.

SMALL SHIPMENT SOLUTION

A unique proprietary offering to Suddath, our small shipment container program offers quicker transit times, higher satisfaction and lower costs. This premium move experience will thrill employees while reducing program costs.

GLOBAL REACH & EXPERTISE

With over 30 offices around the world, we provide clients with local expertise and an unmatched competitive strength to support some of today's largest global clients. We employ a tri-regional model with in-country expertise.

TRUSTED BRAND IN INDUSTRY

For over 100 years, Suddath has maintained our hard-earned reputation and financial security, showing our partners that we are here to stay.

EASIEST MOVER TO DO BUSINESS WITH

From utilizing virtual surveys to having a Suddath team member available 24/7, we aim to be the easiest mover you will ever do business with as well as serve as your long-term partner. Through one single agreement, we can handle all of your moving needs.

ALTERNATIVE PRICING OPTIONS

The needs of our corporate clients have evolved over the years and so have we! Suddath offers a range of non-traditional pricing models to lead the way in managing costs for our clients.

COMPLIANCE & RISK MANAGEMENT

Whether it's protecting PII or complying with local laws, Suddath leads the industry in our pursuit for excellence and achieving total compliance. In fact, our data security compliance is among the highest of any mover according to BitSight.

SUSTAINABILITY & COMMUNITY FOCUSED

We believe in reinvesting in the communities we touch. From reducing our carbon footprint by 50% in 2025, to active engagement through paid time off to support local community projects, Suddath is building a better tomorrow.
